

Community Interest Company Mission Statement:

To respond to the needs of the individual by providing high quality, responsive provision to enable the disabled to reach their potential.

Our aim:

To support and enable disabled people to reach their full potential by working with them and for them in a variety of ways. Actively involving them in creating opportunities which focus on their personal and social development. This includes settings such as youth clubs, after school clubs, short breaks and social events. Volunteering opportunities, alternative learning projects which can be accredited and work experience.

At the heart of Choose2 Youth lies the youth work principal based on purposeful relationship between adults and young people, which is underpinned by an ethos of equality.

Paramount Principles of Choose2 Youth:

- To offer a diverse range of responsive services.
- Develop a culture of innovation, creativity and sensitivity.
- To be proactive in the promotion of all its work.
- To have a holistic approach to the needs of disabled people.
- To treat all disabled people with respect.
- To encourage the active involvement of all.
- To be proactive in its interventions.
- To actively encourage friendships on all levels.
